Dear Kim,

Thank you for your contribution of floral arrangements and on site decorative coordination on behalf of Carlthorp School's Annual 2009 Golf Tournament and Tennis Day Scholarship Event. The centerpieces and creative arrangements were both beautiful and an incredible hit with our guests!

We were very fortunate to have another successful year of financial aid fundraising. Your donation was exceptionally meaningful this year given the current state of financial affairs in the world. Your generosity played a key role in helping us raise the funds which enable us to help financially challenged families to send their youngsters to Carlthorp School to receive a solid academic foundation.

Thank you for helping to make our scholarship and financial aid fund raising effort a success. I am extremely grateful for your generosity and ongoing support of Carlthorp School.

My best wishes to you and your family for a peaceful and relaxing summer.

Sincerely,

Dorothy Menzies
Head of School
